THOUGHT FOR THE DAY

***Bearing witness to the healing
mercy of God***

Today God's Word tells us that we should always tell people of wonderful works of healing that God has done in us. The healing of a cold, a sprain, a miraculous save, diarrhoea, a cut, headache, could be the start for sharing the mercy and love of God.

In Mark 5:1-20 we have the story of how our Lord healed a man who had been possessed of a 'legion' of evil spirits. our Lord told him, "*Go home to your family and tell them how much the Lord has done for you, and how he has had mercy on you*" (Mk 5:19) The man obeyed and became a witness for Jesus in Decapolis.

After St. Paul's miraculous conversion he never ceased to tell people of Jesus and his saving grace. He went through three missionary journeys telling the people the same thing. When he was imprisoned he wrote the letters which have been the life-giving Word of the church. May these witnesses encourage us to thankfully make known to others the riches of his grace
