The special highlight of Palm Sunday this year was the procession with palm leaves while singing the Hosanna song, which started from the front of the Church entrance and around the Church onto the footpaths and back into the Church with LMB children and members, young and old. Everybody appreciated the procession and took part in it joyfully. This was followed by the Palm Sunday service where members also collected the blest palm crosses for themselves and their families. The service truly prepared us for the Holy Week, Good Friday and Easter.

The Easter Sunday Communion Service held on 21st April, 2019 was conducted and celebrated by Rev. Andrew Simick. The Church choir presented a special song on that day. Members were treated to special fellowship refreshments after the service.
