Rev. Fr. James Stevens along with Rev. Perumbalath and elders at St. Andrews.

Rev. Fr. James Stevens, OBE-Englishman James Stevens attended a Billy Graham rally when he was sixteen. It changed his life. Ten years later, he was living in India, up to his armpits in floodwaters and mud, helping desperate people. It was the beginning of a life dedicated to others. James has rescued thousands of children from the slums of Kolkata, giving them a home at Udayan, an education and a pathway to employment. Along the way, James became an Anglican priest – he was a father to his congregation as well as the many children he has rescued. Major benefactor, Dominique Lapierre helped fund James' work for over three decades. More recently, Steve Waugh, former Australian cricket captain, has come on board to help fund Udayan. James has worked with Mother Teresa, was awarded the Legion of Honour by French President, François Mitterrand and has an OBE as well as other honours. His life is a testament to choosing hope over fear, actions over words, love over indifference. *(Excerpt taken from the book Father by Deborah Bedford)* **St. Andrew's Church fondly remembers this man of God's contributions to this Church from 1999 to 2000 and expresses grief at his passing away and continues to uphold his wife Anita in prayers.**

The Women's Guild AGM was held on 5th May, 2019 with around ten members. A report was presented by the Secretary, Mrs. Zeena Mondal about the activities of the Women's Guild in the past year and the Treasurer, Mrs. Beulah Caleb presented her report. The AGM planned for several programs in the coming year.

I was raised to show respect.

I was taught to knock before I open a door. Say hello when I enter a room. Say please and thank you, and to have respect for my elders. I'd let another person have my seat if they need it. Say 'yes sir' and 'no sir' and help others when they need me to, not stand on the sidelines and watch. Hold the door for the person behind me, say 'excuse me' when it's needed, and to love people for who they are and not for what I can get from them and most importantly, I was raised to treat people exactly how I would like to be treated by others.

It's called Respect.
