Sumptuous meal after the ACM enjoyed by all (above)

Environment Sunday worship followed by tree plantation program. (Below) The senior and the young generation's bid to save our planet.

The Environment Sunday worship was prepared and led by Bishop's College. A very apt message was delivered by the Rev. Dr. Sunil M. Caleb, Principal of Bishop's College. The planting of the saplings was done by the Presbyters, elders, deacons, members including the participation by Bishop's College and La Martiniere for Boys students. It was a small contribution from the Church towards sustaining our planet.
